## ENGINEERING DIRECTIVES AND STANDARDS

Volume	Chapter	Section	Directive Number	Effective Date
I	3	1	1	11/23/2020

**SUBJECT: USE OF GREEN-AMBER LIGHTS ON DOTD VEHICLES/EQUIPMENT**

- PURPOSE:** The purpose of this directive is to establish authorization for the use of green-amber warning lights on DOTD vehicles/equipment during their course of operation and Construction or Engineering Companies under contract with DOTD while working within DOTD project limits.
- POLICY:** All personnel operating DOTD vehicles/equipment or Construction or Engineering Companies under contract with DOTD while working within DOTD project limits are authorized to use green-amber warning lights. All such lights shall be permanently affixed to the vehicle/equipment at the roof line, top of body of the vehicle or other locations in accordance with LRS Title 32 (Louisiana Highway Regulatory Act) and the DOTD Vehicle /Warning Lights and Striping Guidelines. No portable lights are authorized. Warning lights shall be green-amber in front and rear.  
  
Warning Lights shall be activated only when the vehicle/equipment is engaged in DOTD operations.  
  
Questions regarding the use of green-amber warning lights should be directed to the, Assistant Secretary of Operations or his designee. Changes can only be made with the approval of the Assistant Secretary of Operations.
- OTHER ISSUANCES AFFECTED:** All directives, memoranda, or instructions issued heretofore in conflict with this directive are hereby rescinded.
- EFFECTIVE DATE:** This policy will become effective upon signature of the Chief Engineer.

CHRISTOPHER P. KNOTTS, P.E.  
CHIEF ENGINEER
