Request For Final Inspection

Section 8.1 of the Cooperative Endeavor Agreement ("CEA") requires written notice of completion from the Developer to the District Construction Coordinator.

Applicant Name _____ would like to request a Final Inspection on the PA ###### project which has been completed in accordance with the CEA agreement and is ready for DOTD inspection.

The Developer agrees that the following has been done:

- ☐ All work has been performed in accordance with the certified plans and LADOTD specifications.
- ☐ All materials have been tested and approved in accordance with the LADOTD specifications.
- ☐ No deviances from the certified plans were made without written approval from LADOTD.
- ☐ The consultant has inspected and approved all work in accordance with the agreement and LADOTD specifications.

Section 2.5 requires that upon completion of the Project, the Developer shall provide, within 60 days of the final inspection date, a copy of the final estimate package, including the signed as-built plans, audit of testing and material of all testing and sampling in accordance with the LADOTD sampling manual, and field records, to the District Construction Coordinator for approval. Construction acceptance will be issued within 60 days of receiving the final estimate package.

Section 2.6 requires that upon completion of the Project and construction acceptance by the DOTD, the Developer shall donate to the DOTD any and all portions of the Project comprising or affecting the state highway, including any and all drainage improvements and all required right-of-way associated with the Project, and the DOTD shall accept the donation of the Project. The Developer shall execute any documents deemed necessary by the DOTD to effect said donation to the DOTD.
