

Active BDTM No.	BDTM Website File Name	Design and/or Rating Policy Bridge Structures	Design and/or Rating Policy Drainage Structures	Design Policy Highway Safety	Design Policy Structural Supports for Highway Signs and Luminaires	Design Policy Sound Barriers	Plan Preparation Development, Maintenance, and/or Archiving	Publication of BDEM Revisions, Standards, Construction Specifications, Section 25 Procedures, etc.	Construction Related Engineering Services
BDTM.88	New Bridge Railings Due To Bridge Widening	X							
BDTM.89.1	New Plan Sheet Border and Standard Plan Sheet Border						X		
BDTM.90	Updates in BDEM Part II Volume 1 and Volume 5	X	X						
BDTM.91	Website Display of BDEM							X	
BDTM.94	Cast-in-Place Concrete Box Culvert Rating Research Reports Implementation		X						
BDTM-95 Rev1	Concrete Roadside and Median Barriers	X							
BDTM.97	Implementation of Latest AASHTO Specifications	X							
BDTM.98	NS Time Lapse Video Recording of Construction Progress							X	
BDTM.99	BDEM Revision - Bridge Design Specification Committee							X	
BDTM.100	Std. Procedures for Final Plan Transmittal and Modifications - Rev. 1						X	X	
BDTM.102.1	Use of Round Guard Rail Posts - REVISED			X				X	
BDTM.103	Guard Rail Design Data and Item Length Tables			X			X		
BDTM.104	Section 25 Standards Process							X	
BDTM.105	Publication of New Standard Plans - Misc. Span Details							X	
BDTM.106	Overhead Adhesive Anchor Sustained Tensile Load	X							
BDTM.107	Luminaire Support Design and Detailing				X		X		
BDTM.108	Special Provisions and NS-Item Specifications Available in ProjectWise							X	
BDTM.109	Sound Barrier Design					X		X	
BDTM.110	Publication of New Standard Plan - Guard Rail Rehabilitation							X	
BDTM.111	BDEM Part II Volume 5 Section 6 - Revised - Bridge Load Rating	X							
BDTM.112.1	Swing Span Maximum Starting Torque	X							
BDTM.113	MASH Implementation Policy and the Use of Non-MASH Devices	X							
BDTM.114	Specifications for the National Bridge Inventory (SNBI)	X
