Re: STIP Amendment #3 - Transit Element

Dear Ms. Horne:

The Federal Transit Administration (FTA) has reviewed the request dated July 13, 2023, for changes and/or updates to the FY 2023-2026 Statewide Transportation Improvement Program (STIP). We approve the updates and revisions to the Transit Element of the FY 2023-2026 STIP with the attached and updated STIP Amendment #3 summary recap pages.

Per the letter dated February 13, 2023, the Federal Highway Administration (FHWA) and FTA provided conditional approval of the Louisiana 2023-2026 STIP. The corrective actions outlined in the Federal Planning Findings report must be addressed by the specific due dates. FHWA and FTA will not allow revisions to the STIP if a due date lapses without adequate action taken by LaDOTD.

Should you have questions, please do not hesitate to contact Michelle Bloomer, Community Planner, at (817) 978- 0570 or via email at Michelle.Bloomer@dot.gov.

Re: FY 2023 Transit TIP: New Orleans and St. Tammany UZAs

Dear Ms. Horne,

Please accept these most recent amendments to the Transit Element of the Regional Planning Commission's FY 23 Transportation Improvement Programs (TIP) for the New Orleans UZA and St. Tammany (Mandeville-Covington and Slidell) for inclusion in the State Transportation Improvement Plan.

These amendments reflect the FY 2023 regional distributions of FTA 5307 (Urbanized Formula), 5337 (State of Good Repair), and 5339 (Bus and Bus Facilities) funding. These programs of projects in the attached spreadsheets replace the previous versions of the FY 23 Transit TIP for each UZA in their entirety.

Investments in Asset Management are in line with achieving performance targets. In the New Orleans UZA, 49% of projects and 81% of funding in the FY 23 Transit TIP is dedicated to asset management, whether through the maintenance or procurement of vehicles, facilities, and rail infrastructure. A breakdown by asset category is below.

	Total	Percent	\$ Amount	\$Percent
Rolling Stock	14	34.1%	18,635,462	62.59%
Infrastructure	2	4.8%	2,000,000	6.72%
Facilities	3	7.3%	3,392,340	11.39%
Equipment	1	2.4%	52,000	0.17%

In the St. Tammany UZA, 50% of the projects and 9.7% of funding is for Rolling Stock maintenance.

The Policy Board and Commission approved these amendments on March 14, 2023. Timely processing by your office of this update will be, as always, greatly appreciated. If you have any questions or need additional information, please advise.

Sincerely,

Jason Sappington

Re: FY 2023 New Orleans UZA Transit TIP

Dear Ms. Athalone

Please accept these amendments to the Transit Element of the Regional Planning Commission's FY 23 Transportation Improvement Programs (TIP) for the New Orleans UZA, for inclusion in the State Transportation Improvement Plan.

In New Orleans, RTA has received congressional appropriation of Community Project funding to be used for extensive renovations of the Union Passenger Terminal, for the purposes of moving some administrative functions into the building. There has also been a small adjustment to East New Orleans Garage Doors to accurately reflect the region's 5339 funding.

The Policy Board and Commission approved these amendments on April 11, 2023. If you have any questions or need additional information, please advise.

Sincerely,

Jason Sappington
