Thank you for attending the Public Meeting for the proposed LA 648 & Acadia Road Intersection Improvements in Thibodaux, Louisiana. Included in this handout is a comment form that we ask you to fill out any comments that you would like to reflect on the meeting transcript.

Project team members are stationed throughout the room to discuss the project and answer your questions. These individuals are easily identified by their name tags. Please take this opportunity to discuss the project with team members.

As you enter the room, you will see four stations:

Station 1: Sign-in Table

At this station, there are sign-in sheets for General Public, Elected and Other Officials, Agency Personnel, and News Media. Please sign in on the appropriate sheet.

Station 2: Exhibits

This station consists of a series of maps that illustrate the potential limits of construction superimposed over aerial photographs.

Station 3: Continuous PowerPoint Presentation

This short presentation provides an overview of the proposed Acadian Road Roundabout Project. The continuous PowerPoint presentation shown tonight is available on the DOTD website. **The presentation will commence at 6:30 pm.**

Station 4: Real Estate

At this station, you will find information about the Louisiana Department of Transportation and Development (LDOTD) Acquisition of Right-of-Way and Relocation Assistance Program, which is administered under Louisiana law in compliance with the federal laws outlined in the "Uniform Relocation Assistance Act" as amended. If you do not have the brochure explaining the Acquisition of Right-of-Way and Relocation Assistance Program, it is available at this station or you can obtain one from the District 02 Real Estate Office, 3108 Williams Blvd., Kenner, LA 70065, Phone Number: (504) 465-3468.

Station 5: Comment Table

At this station, comments can be made verbally or in writing. A tape recorder is available at this table for verbal comments. The last page of this handout is a comment form that you may use. Comments can be turned in during this meeting or mailed to the address on the back of the form. Additional comment forms are also available to be taken with you. **Please note that comments mailed after this meeting must be postmarked no later than June 13th, 2026 to be included as part of the meeting transcript.**

We hope you will take advantage of this opportunity to provide input on LA 648 & Acadia Road Roundabout project. Thank you for attending this meeting and for providing input.

PROJECT DESCRIPTION

The Louisiana Department of Transportation and Development (DOTD) in conjunction with the City of Thibodaux proposes to construct roundabout at the intersection of LA 648 (Percy Brown) and Acadia Road located in Thibodaux, Louisiana in Lafourche Parish. The proposed project includes: earthwork, grading, installation of concrete pavement, concrete curb and island installation, installation of subsurface drainage and striping of the roadway. The roundabout will be located at Latitude 29°46'28.31"N, Longitude 90°48'8.03"W. The project is approximately 0.20 miles in length.

During the construction there will be temporary road closures expected. Access to adjacent properties will be maintained during construction. The total proposed project is approximately 4.8 acres.

PURPOSE AND NEED

The purpose and need of the project is to improve traffic flow and the safety of citizens traveling at the intersection of LA 648 and Acadia Road in Thibodaux, Louisiana.

An independent study was performed to determine a solution for this intersection. The results of this study concluded that a roundabout would be the safest and best option for this location.
