

LA 3040: 600' S HOLLYWOOD RD – LA 24 OPEN HOUSE PUBLIC MEETING

STATE PROJECT NO. H.013213
FEDERAL AID PROJECT NO. H013213
LA 3040: 600' S HOLLYWOOD – LA 24
TERREBONNE PARISH, LOUISIANA

Life Church
2324 Coteau Rd
Houma, Louisiana 70364
August 18, 2026
4:00 p.m. – 7:00 p.m.

Thank you for attending this Open House Public Meeting for the proposed LA 3040 U-Turns in Houma project. In this handout you will find information about the proposed project, including a preliminary project description, a location map, and images of the proposed project. Also included is a comment form.

Project team members are stationed throughout the room to discuss the project and answer your questions. These individuals are easily identified by their name tags. Please take this opportunity to discuss the project with team members. **There will be no formal presentation.**

At this meeting you will find four stations:

Station 1: Sign-in Table

At this station, there are sign-in sheets for General Public, Elected and Other Officials, Agency Personnel, and News Media. Please sign in on the appropriate sheet.

Station 2: Exhibits

This station will consist of a series of maps that show the proposed project on aerial photographs.

Station 3: Continuous PowerPoint Presentation

This short presentation will provide an overview of the proposed LA 3040 U-Turns. The presentation will re-start automatically after a one-minute intermission. **The continuous PowerPoint presentation and the exhibits shown tonight are available on the DOTD website at:** <https://www.dotd.la.gov/about/office-of-project-delivery/planning/environmental/project-pages/district-02-new-orleans/>

Station 4: Comment Table

At this station, comments can be made verbally or in writing. A tape recorder is available at this table for verbal comments. The last page of this handout is a comment form that you may use. Comments can be turned in during this meeting or mailed to the address on the back of the form. Additional comment forms are also available to be taken with you. **Please note that comments mailed after this meeting must be postmarked no later than September 18, 2026 to be included as part of the meeting transcript.**

We hope you will take advantage of this opportunity to provide input on the proposed LA 3040 U-Turns in Houma. Thank you for attending this meeting and for providing input.

PRELIMINARY PROJECT DESCRIPTION

The project being proposed by Louisiana Department of Transportation and Development (LADOTD), using federal funds, is located on LA 3040 in Terrebonne Parish, Louisiana. The proposed scope of this project includes the construction of medians with openings for control of access along LA 3040 from 600 ft passed its intersection with S Hollywood Rd northward to LA 24, and constructing several U-Turns within the corridor.

No-Build Alternative

The No-Build Alternative maintains the existing condition within the project area.

Figure 1: Location of Proposed Project.

PRELIMINARY PURPOSE AND NEED

The purpose and need of the project is to improve safety by limiting the number of right-angle conflict points along LA 3040, improve traffic flow, and provide vehicles a safe place to queue when making a left turn or J-Turn at the median openings.

ENVIRONMENTAL PROCESS

A Programmatic Categorical Exclusion, known as a PCE, is being prepared for the proposed project. As part of the environmental process, LADOTD will address any comments from this meeting; complete data review, field work, and the PCE document.
