

DESIGN FILES DISCLAIMER AND RELEASE

The Louisiana Department of Transportation and Development (LADOTD) makes no representation as to the accuracy, adequacy, reliability, availability, or completeness of these design files or the information contained therein. LADOTD will make digital design files and the information contained therein available for informational purposes only. Design files will only be transmitted in their native format. In providing these files, LADOTD assumes no responsibility for the accuracy and completeness of the data. LADOTD is not responsible for any deletions and/or omissions of data that may occur during the process of recording and compiling the data. LADOTD is not responsible for and expressly disclaims all liability for any direct, indirect, special, or consequential loss or damage of any kind whatsoever arising out of use, reference to, or reliance on any information contained in the design files for state project number _____.

In consideration of the access and use of the design files and information, I, _____, agree to protect, defend, indemnify, save, and hold harmless LADOTD from any and all liability and/or causes of action of any kind arising from the use of the design file information.

Requestor acknowledges and accepts that, in light of this disclaimer and release, and in recognition that Requestor desires access to the design files for its own purposes, LA DOTD will not support Requestor's utilization of the files and will not address questions Requestor may have regarding the information and data contained therein.

Requests for design files shall be made through the RFI process as per 105.19.2 of the current edition of the Louisiana Standard Specifications for Roads and Bridges.
