SUBJECT: APPLICATION OF QUALITY CONTROL SPECIFICATIONS FOR ASPHALTIC CONCRETE MIXTURES

- 1. PURPOSE:** The purpose of this directive is to establish a uniform procedure for the application of department specifications dealing with asphaltic concrete construction.
- 2. SCOPE:** This directive will be applicable to all asphaltic concrete construction.
- 3. POLICY:** This directive establishes the Department's manual, Application of Quality Control Specifications for Asphaltic Concrete Mixtures, as the Department's official interpretation of the applicable sections of contract specifications. All Department personnel will use the latest edition of this manual or manual in effect at time of project letting if major changes have occurred in conjunction with the specifications in inspection procedures for asphaltic concrete construction.
- 4. OTHER ISSUANCES AFFECTED:** This replaces EDSM No. III.2.3.5, dated May 12, 1980. All other directives, memoranda or instructions previously issued in conflict with this directive are hereby rescinded.
- 5. EFFECTIVE DATE:** This directive will become effective immediately upon receipt.
