

US 90: LAFITTE AVE TO FRANCE RD OPEN HOUSE PUBLIC MEETING

STATE PROJECT NO. H.014886
FEDERAL AID PROJECT NO. H014886
US 90: LAFITTE AVE TO FRANCE RD
ORLEANS PARISH, LOUISIANA

Langston Hughes Academy (Library)
3519 Trafalgar St
New Orleans, LA 70119
September 17, 2026
4:00 p.m. to 7:00 p.m.

Thank you for attending this Open House Public Meeting for the proposed US 90: Lafitte Ave to France Rd. In this handout you will find information about the proposed project, including a preliminary project description, a location map, and images of the proposed project. Also included is a comment form.

Project team members are stationed throughout the room to discuss the project and answer your questions. These individuals are easily identified by their name tags. Please take this opportunity to discuss the project with team members. **There will be no formal presentation.**

At this meeting you will find four stations:

Station 1: Sign-in Table

At this station, there are sign-in sheets for General Public, Elected and Other Officials, Agency Personnel, and News Media. Please sign in on the appropriate sheet.

Station 2: Exhibits

This station will consist of a series of maps that show the proposed project on aerial photographs.

Station 3: Continuous PowerPoint Presentation

This short presentation will provide an overview of the proposed project. The presentation will re-start automatically after a one-minute intermission.

Station 4: Comment Table

At this station, comments can be made verbally or in writing. A tape recorder is available at this table for verbal comments. The last page of this handout is a comment form that you may use. Comments can be turned in during this meeting or mailed to the address on the back of the form. Additional comment forms are also available to be taken with you. **Please note that comments mailed after this meeting must be postmarked no later than October 2, 2026 to be included as part of the meeting transcript.**

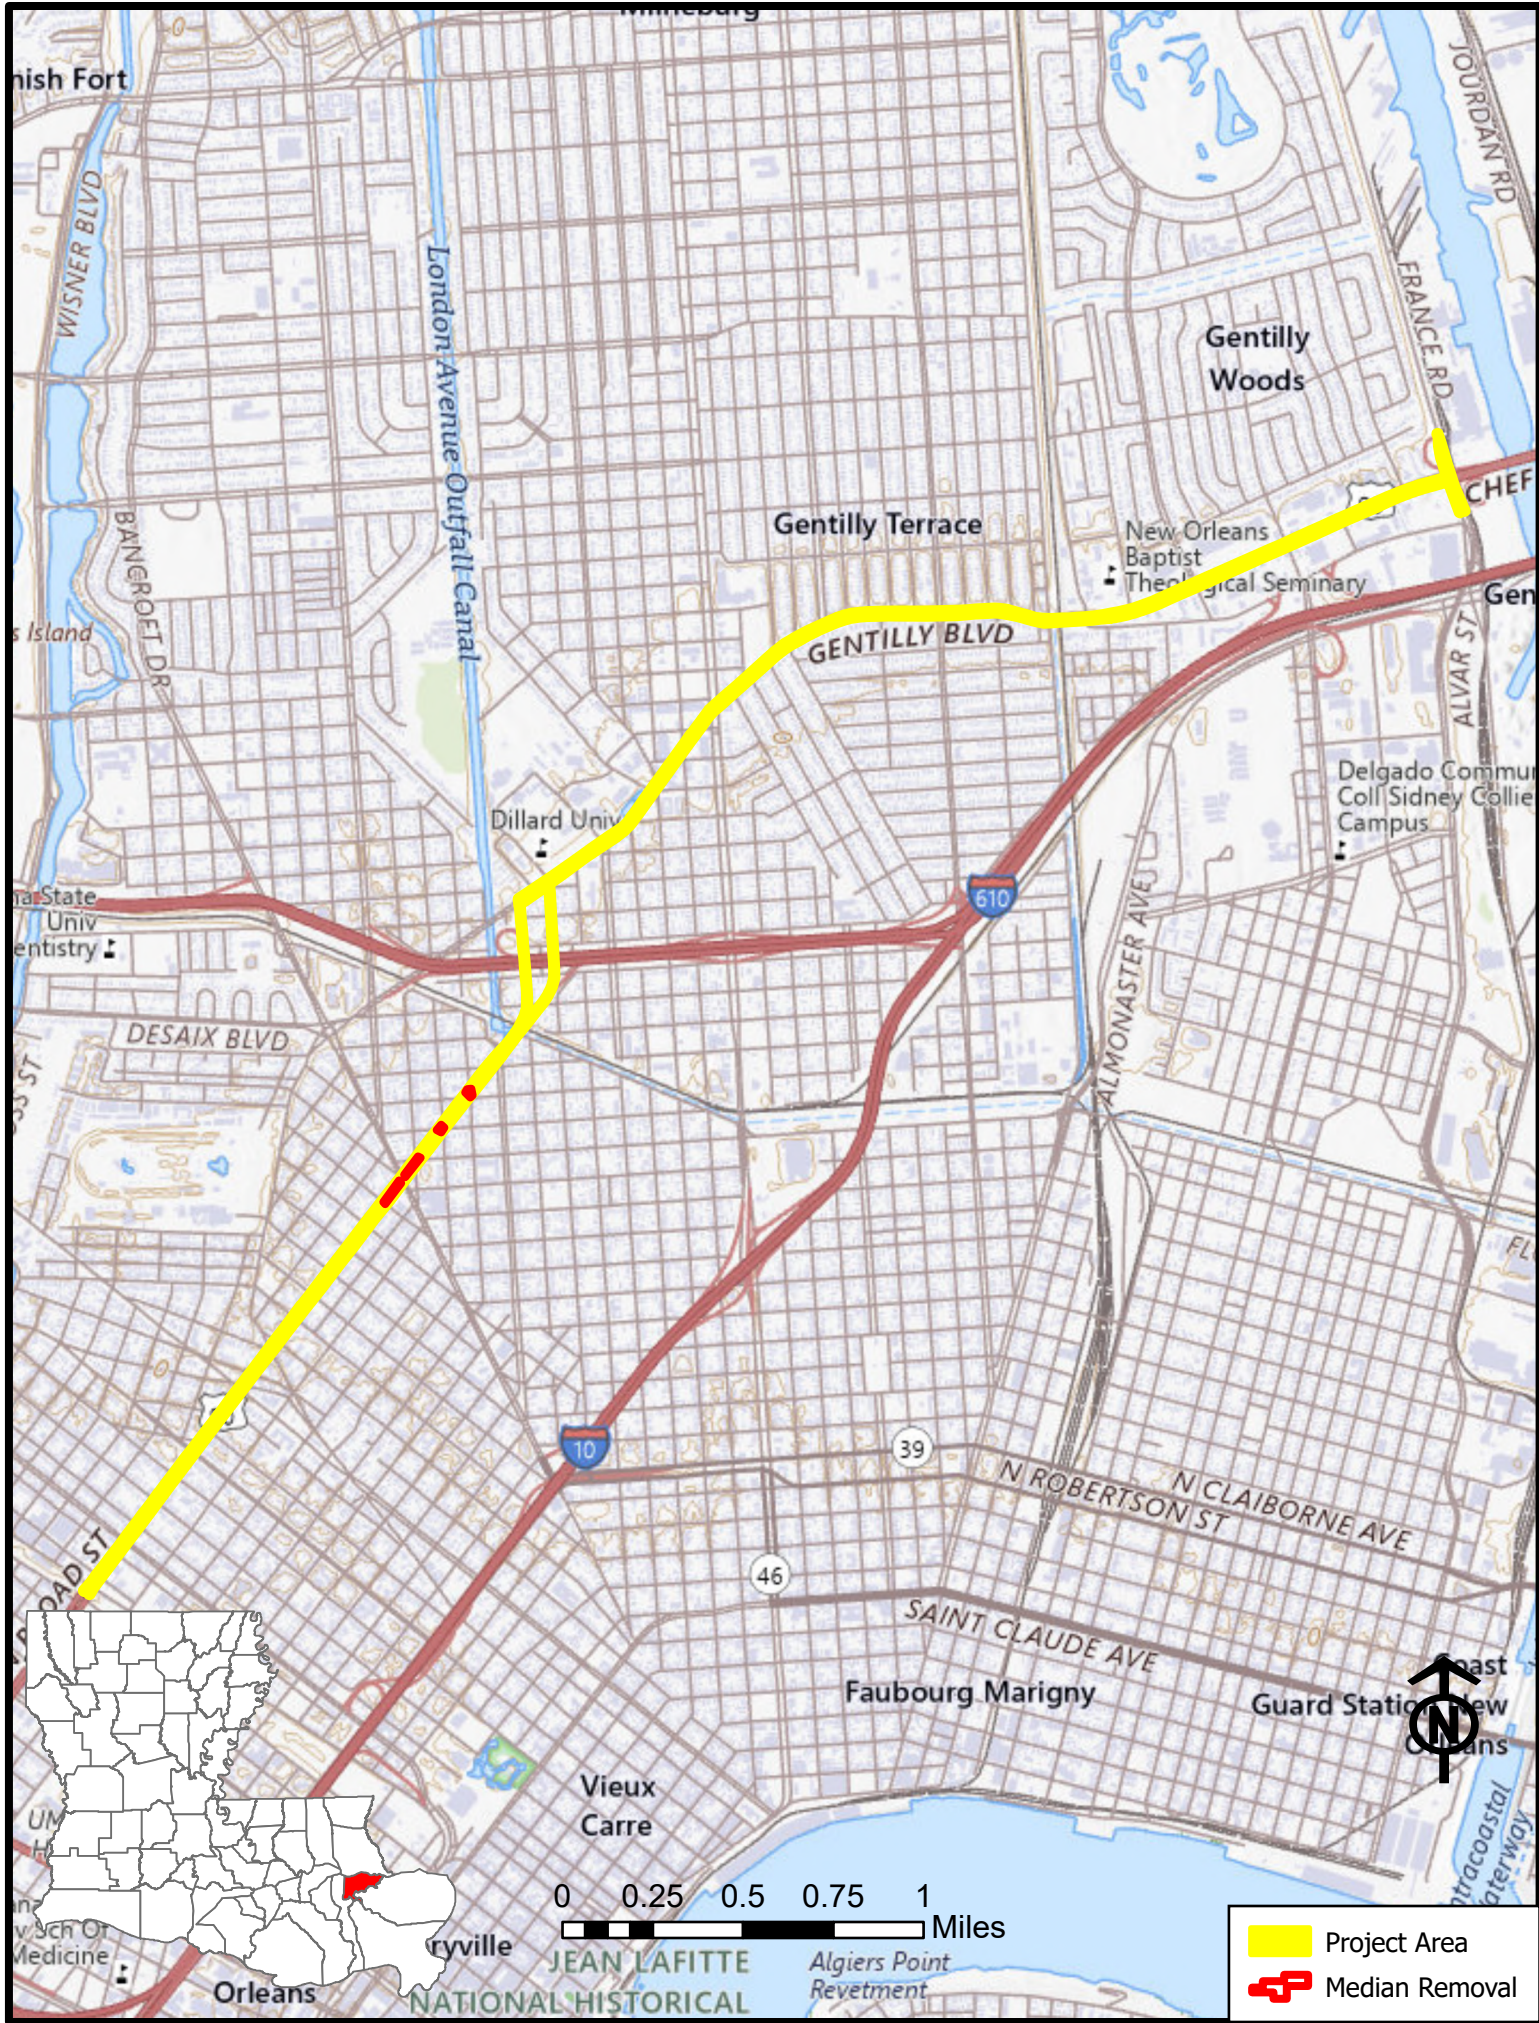

We hope you will take advantage of this opportunity to provide input on the proposed US 90: Lafitte Ave to France Rd. Thank you for attending this meeting and for providing input.

PRELIMINARY PROJECT DESCRIPTION

The project being proposed by Louisiana Department of Transportation and Development (LADOTD), using federal funds, includes roadway improvements along US Highway 90 (North Broad Street/Gentilly Boulevard/Chef Menteur Highway) from its intersection with Lafitte Avenue to its intersection with France Road. The overall scope of work is pavement resurfacing, with spot pedestrian and turn lane improvements. The project will include the closure and modification of median openings between St. Bernard Avenue and George Nick Connor Drive to construct turn lanes and improve access management. Additional right-of-way will not be required for this project. No business or residential relocations are anticipated.

No-Build Alternative

The No-Build Alternative maintains the existing condition within the project area.

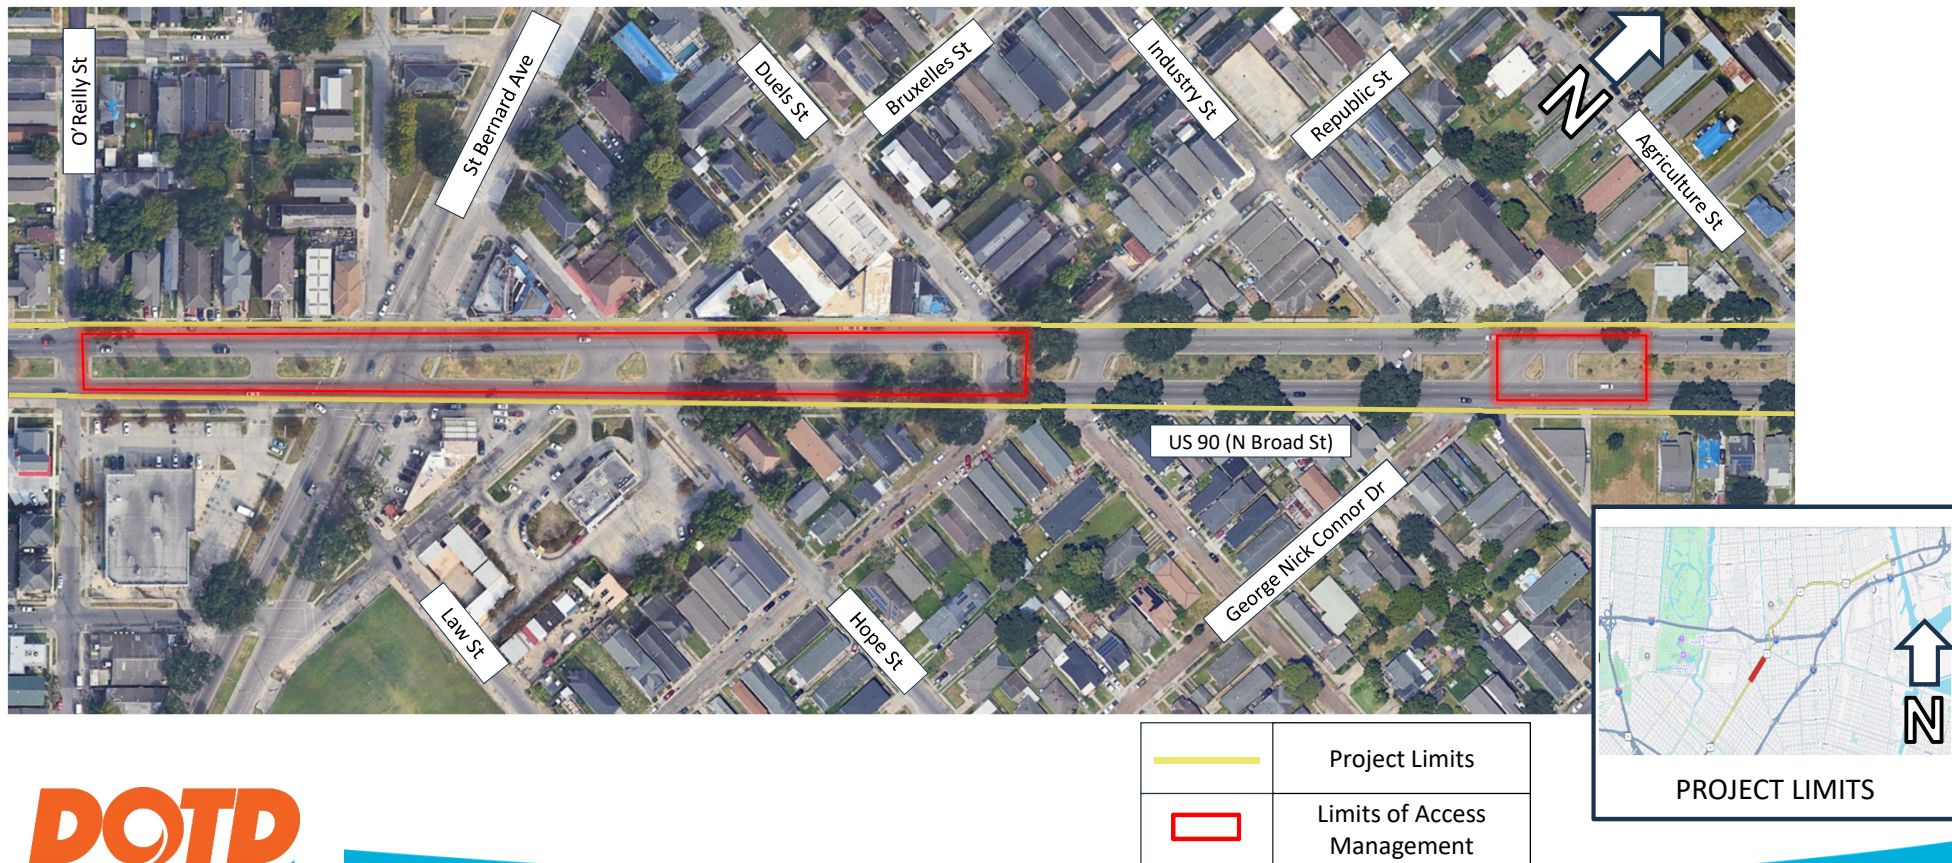

PRELIMINARY PURPOSE AND NEED

The purpose and need of the project is to prevent further pavement deterioration and extend the pavement life, as well as to address traffic flow conflicts near the St. Bernard Avenue intersection, pedestrian crossings deficiencies at signalized intersections, and mainline turning maneuver difficulties on Gentilly Boulevard.

ENVIRONMENTAL PROCESS

A Programmatic Categorical Exclusion, known as a PCE, is being prepared for the proposed project. As part of the environmental process, LADOTD will address any comments from this meeting, complete data review, field work, and complete the PCE document.

Limits of Access Management Improvements

Limits of Pavement Marking Modifications on Gentilly Blvd.
