Re: STIP Amendment #19- Transit Element

Dear Ms. Horne:

The Federal Transit Administration (FTA) has reviewed the request dated May 16, 2025, for changes and/or updates to the FY 2023-2026 Statewide Transportation Improvement Program (STIP). We approve the updates and revisions to the transit element of the FY 2023-2026 STIP, as reflected in the attached and updated STIP Amendment #19- Transit Element.

Per the letter dated February 13, 2023, the Federal Highway Administration (FHWA) and FTA provided conditional approval of the 2023-2026 STIP. To date, LADOTD has made progress in addressing the corrective actions outlined in the Federal Planning Findings report. LADOTD must continue to address the remaining corrective actions by the dates specified. FHWA and FTA will not allow revisions to the STIP if a due date lapses without adequate action taken by LADOTD.

Should you have questions, please do not hesitate to contact Ronisha Hodge, Community Planner, at (817) 978-0576 or via email at ronisha.hodge@dot.gov.

Sincerely,

David E. Bartels
Director of Planning and Program Development

Re: FY 2025 Transit TIP: St. Tammany and Tangipahoa Parish UZAs

Dear Ms. Athalone

Please accept this Administrative Modification to the Transit Element of the Regional Planning Commission's FY 2025 Transportation Improvement Programs (TIP) for the Mandeville/Covington and Slidell Urbanized Areas (UZA), as well as the Hammond UZA for inclusion in the 2023-2026 State Transportation Improvement Plan (STIP).

The purpose of the Administrative Modification is to resubmit and provide greater clarity regarding duplicate amendments related to combined FY 2025 funding for the Mandeville/Covington and Slidell Urbanized Areas of St. Tammany Parish. Although Mandeville-Covington and Slidell coordinate and combine funding for proposed transit projects—implemented by St. Tammany Parish government—they are classified as separate UZAs and therefore require distinct approvals. Additionally, this modification clarifies that Tangipahoa Parish Government is the agency responsible for carrying out all transit projects within the Hammond UZA.

Per guidance from Ronisha Hodge of Federal Transit Administration (FTA), this modification is necessary to:

- 1. Clarify duplicate amendments associated with the combined funding pool for St. Tammany Parish.
- 2. Confirm the implementing agencies for UZAs in both St. Tammany and Tangipahoa Parishes.
- 3. Update all relevant dates to reflect FY 2025.

Please let us know if any further information or documentation is required.

Re: FY 2025 Transit TIP: New Orleans, St. Tammany, and Tangipahoa Parish UZAs

Dear Ms. Horne,

Please accept these most recent amendments to the Transit Element of the Regional Planning Commission's FY 2025 Transportation Improvement Programs (TIP) for the New Orleans UZA, St. Tammany (Mandeville-Covington and Slidell), and Tangipahoa Parish UZAs, for inclusion in the State Transportation Improvement Plan (STIP).

These amendments reflect the fiscal year 2025 regional distributions of FTA 5307 (Urbanized Area Formula), 5337 (State of Good Repair), and 5339 (Bus and Bus Facilities) funding. The attached spreadsheets include updated Programs of Projects that supersede the previous versions of the FY 2024 Transit TIP for each UZA in their entirety.

Investments in asset management support the achievement of performance targets identified in 2024. In the New Orleans UZA, 51.7% of projects and 49.9% of funding in the FY 2025 Transit TIP are dedicated to asset management, including the maintenance or procurement of vehicles, facilities, and rail infrastructure. A breakdown by asset category is below.

	Total	Percent	\$ Amount	\$Percent
Rolling Stock	15	51.72%	33,674,236	49.89%
Infrastructure	0	0%	0	0%
Facilities	5	17.24%	2,356,566	3.49%
Equipment	5	17.24%	1,050,510	1.56%

In the St. Tammany UZA, 100% of the projects and funding are for Operating Assistance. In Tangipahoa UZA, 100% of the projects and funding are dedicated to rolling stock for asset management.

The Policy Board and Commission approved these amendments on May 13, 2025. Timely processing of this update by your office will be, as always, greatly appreciated. If you have any questions or need additional information, please do not hesitate to contact us.
