Comments can be turned in during this meeting or mailed to the address on the back of the form. Additional comment forms are also available to be taken with you. Please note that comments mailed after this meeting must be postmarked no later than **October 25, 2025**, to be included as part of the meeting transcript.

We hope you will take advantage of this opportunity to provide input on the proposed **LA 64: ROUNDABOUT @ LA 1019**. Thank you for attending this meeting and for providing input.

PRELIMINARY PROJECT DESCRIPTION

The Louisiana Department of Transportation and Development (DOTD), in conjunction with the Federal Highway Administration (FHWA), proposes the construction of a roundabout at the intersection of LA 64 (Magnolia Beach Road) and LA 1019 in the City of Denham Springs in Livingston Parish, LA. Additional ROW will be required.

PRELIMINARY PURPOSE AND NEED

The preliminary purpose and need of the project is to reduce the potential for crashes, the severity of crashes and congestion at the intersection of LA 64 and LA 1019. The current Average Daily Traffic for LA 64 is approximately 24,000 vehicles per day which is expected to increase to as high as approximately 35,000 vehicles per day by the year 2047.

ENVIRONMENTAL PROCESS

A Categorical Exclusion environmental document, is being prepared for the proposed project. As part of the environmental process, LADOTD will address comments from this meeting; complete data review, field work, and the environmental document.
