Thank you for attending this Open House Public Meeting for the proposed **I-20: INTERCHANGE AT ROUGH EDGE RD** project. In this handout you will find information about the proposed project, including a preliminary project description and a location map. You also received a comment form which can be submitted tonight or postmarked by **December 5, 2026**.

Project team members are stationed throughout the room to discuss the project and answer your questions. These individuals are easily identified by their name tags. Please take this opportunity to discuss the project with team members. **There will be no formal presentation, but there is a looping presentation to provide additional information about the project.**

At this meeting you will find four (4) stations:

Station 1: Sign-in Table

At this station, there are sign-in sheets for General Public, Elected and Other Officials, News Media, and Meeting Staff. Please sign in on the appropriate sheet.

Station 2: Exhibits, Right of Way, and Environmental

This station consists of several smaller stations: a map that shows the proposed project location; a table with Louisiana Department of Transportation and Development staff; an environmental constraints map showing potential environmental impacts.

Station 3: Continuous Presentation

This presentation will provide an overview of the project and show several alternatives under consideration.

Station 4: Comment Table

At this station, comments can be made in writing or by speaking with a staff member who will transcribe your comment. The last page of this handout is a comment form that you may use. Comments can be turned in during this meeting, mailed to the address on the back of the comment form, emailed to Scott.Hoffeld@stantec.com, or provided online at <https://www.surveymonkey.com/r/roughedgeroad>. Additional comment forms are also available to be taken with you. Please note that comments submitted after this meeting must be received or postmarked no later than **December 5, 2026**, to be included as part of the meeting transcript.

We hope you will take advantage of this opportunity to provide input on the proposed at **I-20: INTERCHANGE AT ROUGH EDGE RD**. Thank you for attending this meeting and for providing input.

PRELIMINARY PROJECT DESCRIPTION

The City of Ruston and Lincoln Parish, in cooperation with Louisiana Department of Transportation and Development (LADOTD) and funded by the Federal Highway Administration (FHWA), proposes to develop a new interchange at the Rough Edge Road overpass of I-20 in Lincoln Parish. Project improvements include new eastbound and westbound entrance and exit ramps and widening improvements to Rough Edge Road overpass at I-20 and roadway improvements along US 80 and its junction with Beacon Light Road.

PRELIMINARY PURPOSE AND NEED

The purpose of this project is to improve mobility and multi-modal connectivity between I-20 and the Ruston Industrial Park region.

ENVIRONMENTAL PROCESS

This project is anticipated to be processed as an Environmental Assessment (EA). As part of the environmental process, LADOTD and its consultants will address comments from this meeting, complete data review, field work, and the environmental document.
